

Making the Rounds

A VIRTUAL THOUGHT LEADERSHIP LECTURE SERIES

Otolaryngology Care During the COVID-19 Pandemic

Steven J. Wang, MD, Chair, Department of Otolaryngology - Head and Neck Surgery

Eugene H. Chang, MD, Vice-Chair, Otolaryngology

Helena Yip, MD, Assistant Professor, Otolaryngology

Introducing a new monthly virtual thought leadership lecture series: *Making the Rounds*

We welcome you to join us for a new monthly lecture series featuring thought leadership providers across the Banner Health system. This free educational lecture is available to all interested clinical and office staff to learn and engage in rotating topics.

Join us this May to hear a comprehensive discussion on what it means to treat ENT patients during a COVID-19 pandemic. Banner - University Medicine's Otolaryngology experts Drs. Wang, Chang and Yip will share emerging co-management strategies on how referring providers can get the best care for their patient by utilizing our multidisciplinary team.

When: Friday, May 21, 2021

Time: 12:00 p.m. - 1:00 p.m.

Speakers & Topics: Otolaryngology (ENT) care during a pandemic

- **Eugene H. Chang, MD, Vice-Chair, Otolaryngology, Division Director of Rhinology and Endoscopic Skull Base Surgery**
 - What is anosmia? Why is it important and what can you do if you lose your sense of smell?
- **Helena Yip, MD, Assistant Professor, Otolaryngology, Director of Laryngology, Voice, and Swallowing Disorders**
 - COVID related upper airway complications
- **Steven J. Wang, MD, Chair, Department of Otolaryngology - Head and Neck Surgery**
 - Providing essential ENT care during a Pandemic
 - Lessons learned for our healthcare system and beyond
